**APPLICATION FOR USE OF FIRE HYDRANT**

Date: \_\_\_\_\_

I hereby apply for permission to use the FIRE HYDRANT located at:

A suitably sized Hydrant Meter and Valve Assembly, including a back-flow prevention valve, a water meter and a secondary valve will be installed by the City and remain on the fire hydrant.

From: \_\_\_\_\_ To: \_\_\_\_\_  
(dd/mm/yy) (dd/mm/yy)

For the purpose of: \_\_\_\_\_

The Hydrant Meter and Valve shall be rented at a cost of \$29.95 per week (to a maximum of \$600.00 per year).

I agree that if permission is granted, I will operate the secondary valve and I will pay for the quantity of water used, as per the current water rates. I further agree to be responsible for costs associated with any loss, damage, repair and maintenance required on any such hydrant and meter assembly during or immediately subsequent to my use. With regards to winter use, I will insulate and drain the hydrant meter and valve to prevent freezing.
